Less than one-half hour drive from one of the "world's most beautiful beaches", and the new Panama city - Bay County International Airport, lies a unique and pristine spring-fed lake community known as Lake Merial.

Home to several of the prized custom built homes featured in the Panama City Parade of Homes by The Home Builders Association of Panama City and Bay County, Lake Merial is the ultimate in relaxed, unencumbered living.

This beautifully planned Florida Gated Community will boast amenities such as:

- Walking distance to one of Florida's highest achieving and award winning high schools
- A Community club for family and community events
- A semi-private shopping plaza with over 200 acres of name brand and local stores, restaurants and shopping
- One half hour drive to one of the world's most beautiful beaches
- Within one half hour drive of the new Panama City - Bay County International Airport
- Swimming at both your own private as well as community beaches
- Boating, fishing and other water activities
- Convenient gated, private entrances
- and more...

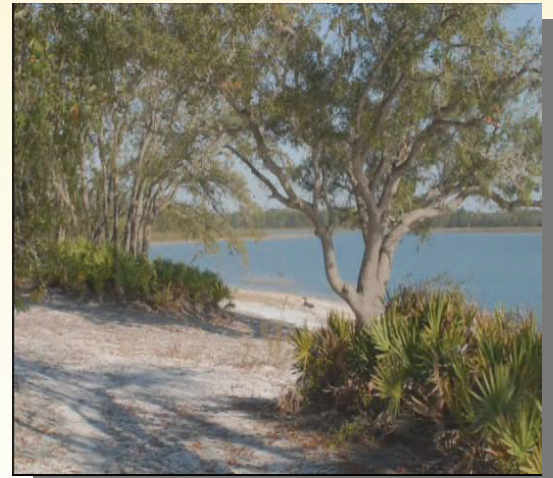

The gated lakeside community of Lake Merial is destined to become one of Florida's and the Panama City areas most sought after home destinations, with the calm, piercing blue waters of Lake Merial lapping at the shores of your own private lake front beach.

The estates at Lake Merial's gated community have been well planned over several

phases which will decrease the impact on the abundant wild life and pristine surrounding forests.
